Did you know in 2024 1 in 10 homeless individuals in Indianapolis was a veteran?

WE ARE WORKING TO CHANGE THAT.

Since 1993, HVAF has been helping homeless veterans return to self-sufficiency and engages at-risk veterans and their families to prevent them from becoming homeless by providing supportive housing assistance, case management, employment support, therapy, and basic needs including food, hygiene, and clothing. In 2024, we served 1,346 veterans and provided over 40,000 life-changing services!

LETTER FROM THE CHAIRMAN

Michael Rodriques

Dear friends,

In 2017, I first encountered HVAF during a volunteer opportunity through my employer, Simon Property Group. What began as a one-time chance to serve veterans in the pantry, ignited my passion to help others and I signed up as a regular. Each week I volunteered to help veterans shop through the pantry, helping to meet their basic needs by providing food, clothing, and hygiene items. I loved meeting tangible needs of those who selflessly served our country!

When I was approached to join the Board of Directors, I eagerly accepted the opportunity to be more deeply involved with an organization making such a positive impact on our community. Over the last 8 years, I've been part of challenging and rewarding times focused on ensuring that no hero is homeless on our streets. I've seen the agency grow and change, and during the fire on October 26, I was reminded how dedicated our team is to those we serve.

In June, I was honored to be selected as the Board Chairman for the next two years. I am eager to share with you my passion for the incredible work HVAF is doing to end veteran homelessness in our community.

I want to thank you for your incredible support of our mission, to provide hope, housing, and self-sufficiency for all veterans and their families. Without you, we would struggle to provide such high-quality services to the most vulnerable veterans in our community.

Respectfully,

Emmy Hildebrand

LETTER FROM THE CEO

Dear friends,

It's hard to look back at 2024 and not immediately think of the Manchester Apartments fire. For many of us, the fire marks time in much the same way as the pandemic. Before COVID, after COVID. Before the fire, after the fire. In preparing for this update, I took a step back, reviewing our data from a higher level.

I'm pleased to share that our data confirms what we've always known. The solution to homelessness is housing. And, I'll explain why.

I know this is an annual report, but I want to share a look back at the last decade in Indianapolis. In 2015, there were 389 veterans experiencing homelessness on the night of the Point in Time Count, representing 28% of those experiencing homelessness in our community. In 2024, there were 170 veterans experiencing homelessness, a 57% reduction in 10 years. Additionally, while still overrepresented in the homeless population, veterans accounted for 12% of those experiencing homelessness.

So, what changed? In 2010, the federal government announced an ambitious plan to end veteran homelessness around the country that included resources and new programs to expand the tools available to community providers. HVAF harnessed that initiative locally, and since 2015, we've expanded both our rental assistance/rapid rehousing programs and introduced permanent supportive housing for veterans into our service offerings. Our Strategic Plan calls for us to continue to evolve to offer effective, relevant programming to veterans and families. Our track record proves we are doing just that.

2024 closed with HVAF providing a record number of services, over 40,000, to 1,346 veterans. In spite of the fire, we stayed on mission, serving the most vulnerable in our community.

Thanks to your support and partnership, we are rebuilding from the fire. And, more importantly, we are approaching the future with renewed passion for ending veteran homelessness.

Respectfully,

Rising from the Ashes...

On the night of October 26, 2024, a catastrophic fire broke out at our largest housing facility – Manchester Apartments – which provided temporary housing for homeless veterans.

Over 70 firefighters worked tirelessly to contain the fire which was later determined to be accidental. The 48 veterans living there at the time were relocated to local hotels. Generous monetary donations to the Fire Assistance Fund and donations of food, clothing, and hygiene ensured every veteran had their basic needs met.

Once settled into extended-stay hotels, donations to the Fire Assistance Fund were used to help most of the veterans move into permanent housing by paying for rental application fees, security deposits, rent and utility bills, and moving expenses.

In January, the remaining 9 veterans moved out of the extended-stay hotels and into a property that HVAF is master-leasing until Manchester is fully operational.

Half of Manchester Apartments reopened this July with 19 renovated housing units offering 23 beds.

The other half of the building is under construction and expected to be completed in August 2026. Once complete, the building will have 14 MORE HOUSING UNITS and will house our food and clothing pantries which will double in size.

Through the rebuilding of Manchester Apartments, we are creating a brighter, more stable future for veterans in need.

Out From The Fire And Into A New Home!

Tommy escaped homelessness when he found HVAF and moved into Manchester Apartments last summer. Unfortunately, Tommy's time in there was cut short when the devastating fire broke out.

During the chaos of that night, Tommy's first concern was for his fellow residents. As smoke filled the halls, Tommy took action, rallying a few of the other residents to start helping.

Tommy and the others wasted no time and began knocking on doors to alert residents of the fire, helping to ensure everyone made it out safely.

Luckily, every veteran was safe and accounted for and were relocated to local hotels. Unfortunately, most of them lost everything, including Tommy. Thankfully, YOU and the community stepped up to support their basic needs and housing goals!

Tommy wasn't in the hotel long before moving into his very own apartment. He was the **FIRST** veteran to leave the hotels and attain permanent housing. Donations to the Fire Assistance Fund helped the Marine veteran with moving costs, rental application fees, and temporary rental assistance.

Today, with YOUR generous support, Tommy is proudly settled into his new apartment with a fully stocked fridge and closet full of clothes.

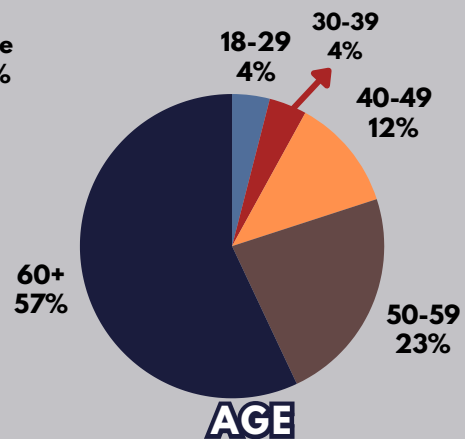

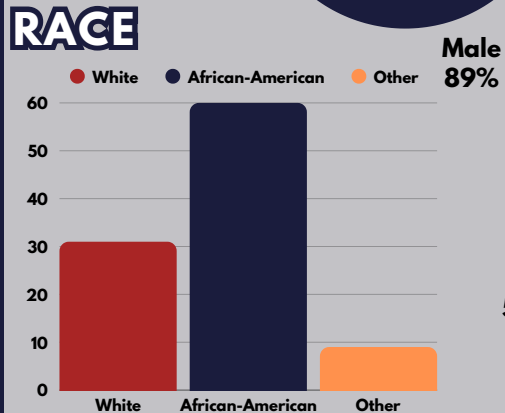

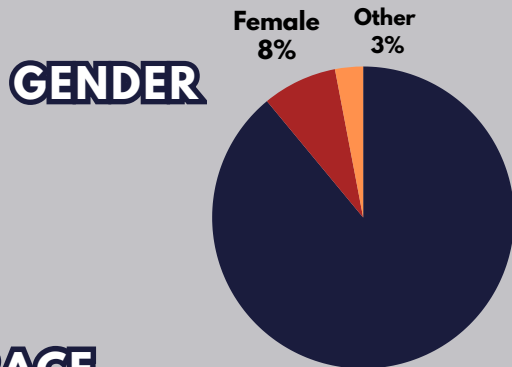

Thanks to you, Tommy is thriving.

FINANCIAL

REPORT

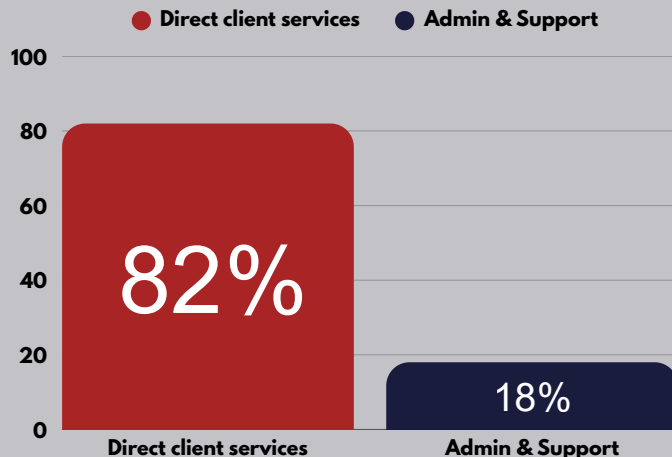

After the October 26 fire, the *Fire Assistance Fund* was created to support the 48 displaced veterans and help with recovery and rebuilding efforts. Our community, near and far, truly stepped up and rallied during this time of need. We remain very grateful for the many individuals, corporations, and foundations who provided vital support to help us recover.

Thanks to your continued support in 2024, we directed resources to significant maintenance projects in our housing properties throughout the year. Projects included a new roof at Carson Apartments, a new kitchen at the Loyd House, and improved accessibility features at Veterans Villa. We were also able to continue investments in our cash reserves and our Building Maintenance Endowment ensuring continued stability for the organization.

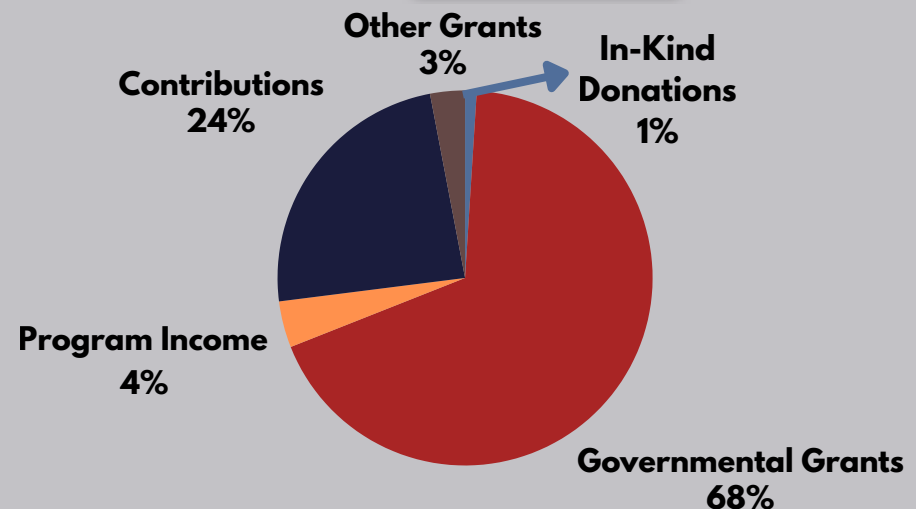

We are happy to report that 82% of funds received in 2024 went directly to support the life-changing services offered to Hoosier Heroes in need.

Special thanks to our strategic partners at the Department of Veterans Affairs, Central Indiana Community Foundation, United Way of Central Indiana, the City of Indianapolis, and Indiana Housing and Community Development Authority. We are grateful for their continued investment in the important work we are doing to end veteran homelessness.

2024 CASH Revenues

OPERATION ALPHA 2024

Operation Alpha 2024 presented by Harrah's Hoosier Park Racing & Casino proved to be HVAF's largest and most extraordinary event yet, solidifying itself as our largest and most impactful fundraiser to date. Hosted at the Biltwell Event Center and presented by our first-ever presenting sponsor, Harrah's Hoosier Park, this **sold-out event brought together 475 attendees** in an incredible show of community unity. The devastating fire at Manchester Apartments just days prior served as a stark reminder of the vulnerabilities our veterans face.

Last year, Operation Alpha became more than a fundraiser—it was a rallying cry, and our community delivered in force. Through sponsorships, ticket sales, and heartfelt generosity, **we raised an astounding \$200,000—a record-breaking achievement** that directly supports displaced veterans and those at risk in Central Indiana.

From the military-inspired Grog Bowl Ceremony to impactful speeches like those from Army veteran Nicki and her case manager Cherelle, the night was filled with stirring moments of resilience, solidarity, and hope. **Thanks to the support of 68 generous sponsors—another record for the event**—Operation Alpha broke barriers, proving yet again the power of collective action.

From Homelessness to Homeowner

It was a hard year for everyone in 2020. For Navy veteran Bianca, it was almost too much to handle.

After losing her home, Bianca desperately tried to make ends meet while staying at a hotel. But paying for a hotel and food while working in the food service industry wasn't working.

Bianca couldn't do it alone. Thankfully, you were there to lessen the load.

You covered the costs of her hotel until she could move into Veterans Villa – our 39-unit apartment complex that provides affordable housing and case management for veterans facing homelessness.

Once safely housed in her apartment, Bianca was able to focus on therapy, improving her financial wellness, and exploring new career paths. She enrolled in our intensive three-phase Workforce Development program: VetWorks. Through the program, Bianca received education and training in IT.

Her hard work led to a new career with a full-time job, and after a year in that job, **she became a homeowner!**

Last year, Bianca moved into her own home on the near south-side of Indianapolis and is only a few minutes away from work.

Without your support, she's not sure where she would be. "I don't mean that I wouldn't have the house right now. I probably wouldn't be on this Earth anymore."

You were there all along the way, supporting and encouraging Bianca as she worked to achieve one goal after another! THANK YOU for being there!

SERVING UP HOPE

When James first came to HVAF, he was searching for more than just help—he needed a fresh start. A Navy veteran, James had faced immense hardships, including homelessness and unemployment.

With the life-changing support of HVAF's programs, James turned his life around. By enrolling in initiatives like VetWorks, a workforce development program, **James discovered his passion for cooking and gained the confidence to pursue it as a career.** Today, he thrives as a full-time chef at Second Helpings, combining his love for food with giving back to the community.

Grateful for the support he received, James reflects, **“HVAF was there for me when I needed it most. Now I’m standing on my own two feet, doing what I love.”** With the ongoing support of HVAF and its donors, James’s story is one of hope, resilience, and the transformative power of compassion. Together, we can help more veterans find their path to success.

James’s story reminds us that every veteran deserves the opportunity to rebuild their lives and pursue their passions. When someone has faced unimaginable hardships, a helping hand can make all the difference in reigniting hope and opening doors to new possibilities.

For James, the encouragement and resources he received were **the stepping stones he needed to reclaim his sense of purpose and dignity.**

This is the very essence of HVAF’s mission — to provide not just shelter, but a foundation for lasting change.

“
HVAF was there for me when I needed it most, and now I’m standing on my own two feet, doing what I love.
”

Words of gratitude from the veterans you've helped!

"It's been nice to be at a place like HVAF where people are willing to listen and help."

-Airforce Veteran Darian

"HVAF saved my life, without them I would have been homeless."

-Army and National Guard Veteran Gibby

"I can honestly say HVAF saved my life."

-Army Veteran Nigel

"HVAF, they put me in a direction where I can advance. They help you from the heart."

-Army Veteran Monica

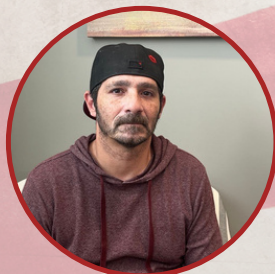

"HVAF has done so much for me and my family."

-Army Veteran Ben

"Without HVAF, I don't know where I'd be. I don't know if I'd be alive right now."

Rebuilding Through Giving Back

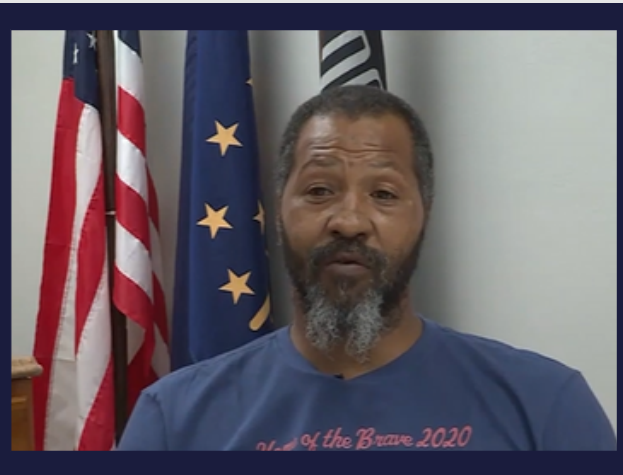

Among the 668 people who volunteered at HVAF last year, Alan, a proud Marine veteran, was a regular presence at the Colonel Donald W. Moreau, Sr. Veterans Community Center, dedicating his time almost every single day.

Since transitioning to civilian life in 1996, Alan has faced immense challenges, yet his resilience and commitment to giving back to others remain profoundly inspiring.

After experiencing five years of homelessness, Alan found hope, and in his own words **“stable ground.”** With your support, Alan was safely housed in transitional housing and enrolled in our VetWorks skill-up program.

“It’s a blessing to just wake up every day, but thanks to you, I’m waking up in my own place.”

Alan was housed at our Manchester Apartments and, unfortunately, on the night of the devastating October 26th fire, he lost everything.

“Today I’ve only got the same things I first came here with, but everyone got out and no one got hurt in the fire.”

Alan, along with the rest of the displaced veterans, were placed in local hotels immediately following the fire.

Luckily, losing everything while already struggling, didn’t slow him down.

For months following the fire, **he took the bus EVERY DAY to volunteer in our food and clothing pantry** serving his fellow veterans.

With you by his side, Alan has graduated from VetWorks, started a new career, and with financial support from the Fire Assistance Fund, has moved into his own apartment that he can call **HOME**.
